**Subject:** Re: EPA back in Dimock?

Hi Michael,

Here is an EPA statement in response to your questions. -- Terri

We're actively reviewing the situation in Dimock and filling information gaps. We're evaluating next step including sampling some of the residences' well water. We have not made a decision to provide water at this time. As soon as we have more we will announce it.

Subject: EPA back in Dimock?

Terri,  
I hear Trish Taylor and Dave Polish are back in Dimock today. True? What are they doing there?  
Any news about the water deliveries?  
Thanks,  
Mike

This Email message contained an attachment named  
image001.jpg  
which may be a computer program. This attached computer program could  
contain a computer virus which could cause harm to EPA's computers,  
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced  
into the EPA network. EPA is deleting all computer program attachments  
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you  
should contact the sender and request that they rename the file name  
extension and resend the Email with the renamed attachment. After  
receiving the revised Email, containing the renamed attachment, you can  
rename the file extension to its correct name.

For further information, please contact the EPA Call Center at  
(866) 411-4EPA (4372). The TDD number is (866) 489-4900.
